

STELLAR® Auto Tarping System

SITARPER

Truck Mounted Container Auto Tarper

Our People. Our Products.

■ The Stellar Truck Mounted Auto Tarp

The Stellar Industries container tarping system offers easy installation, smooth, convenient operation and most importantly, it's the toughest, most maintenance free tarping system available. It's proven design is the one container tarping system with your companies bottom line performance in mind.

- The design of the Stellar truck mounted auto tarp keeps all the hydraulics (and the associated weight) mounted low.
- The hydraulic sliding pivot allows the tarp to cover a wide variety of container sizes, and is easily adjusted to fit 15 to 40 yard containers.
- Hydraulic adjustable gantry to tightly cover containers, extends from 60" to 107".
- Optional cab guard can easily be installed.
- No hoses fastened to the arms.
- Hydraulic sliding pivot for ease of mounting and container adjustment.
- Easy adjustment even after installation.
